Notes: Uppingham Neighbourhood Forum is a fully constituted, non-political, neighbourhood infrastructure network which brings together residents and a number of town councillors, charities, social enterprises and voluntary groups. In addition to acting as the voice of Civil Society for Uppingham, the Forum oversees the work of UppWatch (the town's neighbourhood watch and good neighbour scheme), the operation of the Uppingham Community Emergency Plan and the supervision of the community's defibrillators along with community partnership Uppingham First. The Neighbourhood Forum is led by its Chair Janet Thompson BEM and a strong Executive Committee of local organisation representatives. All public meetings of the Forum are preceded by a volunteer distributed newsletter to every household.
