

Uppingham Bypass Survey – January 2019

1. In the long term (say 20 years) would the building of a north/south bypass around Uppingham have a desirable/undesirable impact on the town?

- Extremely desirable
- Very desirable
- Somewhat desirable
- Not so desirable
- Not at all desirable

2. Can you say why?

3. In the long term (say 20 years) would the building of a north/south bypass around Uppingham have a desirable/undesirable impact on your business?

- Extremely desirable
- Very desirable
- Somewhat desirable
- Not so desirable
- Not at all desirable

4. Can you say why?

5. Should the town's Neighbourhood Plan Group encourage the County Council to identify the possible build line of a north/south bypass to the west of Uppingham and seek funding to build it during the next 20 years?

- Yes
- No

6. A 30% increase in vehicular traffic by 2030 is projected for the A6003 and a weight limit is not permitted. As an alternative to a bypass, should the County Council instead seek to create highway management features which will discourage heavy vehicles from using the route?

- Yes
- No

7. Any thoughts on what they should be?

8. What other comments do you have on the long term need for a north/south bypass around Uppingham?

9. Where is your business located?

Town Centre: Station Road: Uppingham Gate: Home based: Welland Vale

Other (please specify)

Closing date for responses is Monday January 21st 2019

Thank you for completing this survey. Please send your completed response to secretary@uppinghamfirst.co.uk or, if responding on paper, return in the envelope provided to Uppingham First via the Reception Desk at The Falcon Hotel.

In the event of any query please contact 01572 495050 or Mobile 07710 328469
