

PC ANNA INGRAM 1560

Hello everyone, as you can see, I have done a thing!

I wanted to make the beat report stand out more, and be something you can add to maybe local newsletters etc. So here we have it, the upgraded version.

As the warmer weather comes to an end, and with our cost of living on the rise, I anticipate a change in neighborhood policing dynamics. Please look out for the vulnerable people in our community and if at all concerned, please raise this concern to the relevant agencies. You can also raise these concerns with myself and PCSO Andy Wylie.

Kind regards
PC Anna Ingram 1560

BEAT PRIORITIES

Speeding.

Through consultation with our community we have identified that speeding vehicles on Rutland roads is a priority our communities want us to address, specifically the lack of adherence to 30mph zones.

Anti-Social Behavior.

Through consultation with our community we have highlighted the priority of Anti-Social behavior that residents are concerned about.

Drug using/ Drug dealing

Through consultation with our communities, we have highlighted that drug taking and dealing are priorities to be addressed, and we are working hard to gather intelligence on these issues to enable us to take positive action.
