

PC ANNA INGRAM 1560

Happy New year to you all!

I hope you all had a wonderful festive period and were able to see the end of 2022 out in style, be that partying until the early hours or simply a quiet night in. 😊

As you can see crime wise has been relatively tame over December, again gold standard would always be aiming for a big fat zero, but we can but keeping trying. If this ever happens by the way, I will volunteer Andy to karaoke in the market square (he is unaware of this)

The week commencing 22nd Jan is neighborhood action week, so keep your eyes peeled on our social media page for partnership events with Rutland County Council.

January can be one of the toughest and loneliest months mental health, especially for those that live alone. Reach out to one another if you know someone that's in need, you never know what difference it might make.

I hope you see you when I am out and about, do come and say hi if you see myself or Andy, we don't bite!

We wish everyone a healthy and happy new year

Kind regards

PC Anna Ingram 1560 and PCSO Andy Wylie 6613
