

## PC ANNA INGRAM 1560

Hello Uppingham Town!

I cannot believe it's the month of December, it is lovely to see so many people feeling the festivities already as I walk around the town and judge the best dressed house (now there's an idea) 😊

As we leave November behind, I bring to you last month's crime statistics. As you can see, Unfortunately Uppingham did fall victim of a couple of Burglaries last month and I know this caused worry and concern to our community. Our Leicestershire Police Website has lots of useful tips on Crime prevention advice and protecting your home.

You may or may not be aware, but the Uppingham Police office has now officially opened and is located opposite the Town Clerks office in the Town Hall. This is not a front enquiry office so opening times will vary depending on job commitments elsewhere.

There will be a post box outside should you wish to leave a letter, and contact details will also be on the front of the post box for any non-urgent enquires.

I must stress, in an event of a police emergency call **999** or 101 for reporting any other crime.

If you are in passing by and we are in the office, do pop in and say hello.
